Inaugural Christmas on the Creek Debuts December 5

Celebrate the season in the heart of Historic Downtown Euharlee during Christmas on the Creek on Saturday, December 5. This year's celebration will offer a family-focused holiday experience centered in the parking area near the Euharlee Covered Bridge. Families can stop by for Christmas activities and enjoy time together in one of Euharlee's most picturesque locations. December 5 is also the final day of the Euharlee Festival of Trees, making it a great opportunity to enjoy both Christmas traditions during one festive evening in Downtown Euharlee. Visit www.euharlee.com or Facebook for more information.

A Season of Giving at the Festival of Trees 11/28 - 12/5

The Euharlee Festival of Trees returns November 28–December 5, bringing a week of Christmas cheer to Downtown Euharlee while supporting Loving Arms Cancer Outreach.

Each year, beautifully decorated Christmas trees and wreaths fill the Historic Granary, creating a festive holiday display made possible by local businesses, organizations, community members. Visitors are invited to enjoy the displays and bid on their favorites, with proceeds benefitting

Loving Arms and its work supporting local cancer patients and their families.

The Festival of Trees is still seeking volunteers and sponsors for this year's event. Individuals, businesses and organizations looking for a way to give back during the holiday season are encouraged to get involved.

Admission is free, and the Festival concludes Saturday, December 5, alongside Christmas on the Creek. For information about sponsorships, volunteering or participating in this year's Festival of Trees, visit euharlee.com or follow the Euharlee Festival of Trees Facebook page.

Leave Your Mark on Downtown Euharlee

The Euharlee Downtown Development Authority is continuing a piece of Euharlee history with a personalized brick fundraiser supporting improvements in Historic Downtown Euharlee.

The project builds on the engraved-brick initiative begun by the Euharlee Historical Society approximately 25 years ago. Residents, families, businesses and organizations can purchase personalized engraved bricks that will become a permanent part of Euharlee's downtown streetscape.

Proceeds will help properly set the engraved bricks and support improvements and extensions to sidewalks throughout the historic downtown area, as well as future DDA and City projects.

Personalize a brick to recognize your family, honor or remember someone special, celebrate a business or organization, or simply leave your mark on Euharlee.

Bricks can be ordered online anytime or in person at the Euharlee Covered Bridge Fall Festival October 9–10. The deadline to order for the first installation wave is February 1.

Runners and walkers are invited to take part in this community race benefiting Bartow County Shop With A Hero, which helps provide local children with a special Christmas experience alongside area first responders.

The course takes participants through Euharlee and saves one of its best features for the finish — runners will race through the historic Euharlee Covered Bridge on their way to the finish line.

Registration is now open, and runners of all experience levels are encouraged to sign up.

Sponsorship opportunities are also still available for businesses and organizations interested in supporting the race and Shop With A Hero.
